Thank you Helene,

It is very kind of the organizers to include me as a collaborator and I appreciate it greatly.

I have attached a completed form.

Kindest regards,

Peter

Dear Peter and Teresa,

You will be listed on the list of participants of the Monograph meeting as 'unable to attend', meaning that you will also be listed as a collaborator (and on PubMed) on The Lancet Oncology summary that we publish shortly after the meeting has finished.

For that purpose, I would need you to sign and return the attached declaration of interests form to me at your earliest convenience please.

With best regards,

Helene
